How to Complete an Audit/Inspection Using MySafety

Note: Pop-ups will be used when completing an audit/inspection - before you start, make sure you are not blocking pop-ups from OSHENS.

Step 1: Log in

Log in to MySafety at <https://qmul.oshens.com/login>. You must have been provided with a username and password by the Health and Safety Directorate. To request log in details please contact hs-helpdesk@qmul.ac.uk

The screenshot shows a web browser window displaying the MySafety login page. The browser's address bar shows the URL <https://qmul.oshens.com/login/default.aspx?ClassicSession=clear&CountrySet=true>. The page header features the Queen Mary University of London logo and the text 'MySafety'. Below the header is a navigation bar with various system links. The main content area is titled 'Safety & Health Management System' and features a 'QUICK ACCESS - NO USER ACCOUNT REQUIRED' section with two options: 'Report an Incident' and 'myWorkstation Assessment'. To the right is a login form with fields for 'Username' and 'Password', a 'Login' button, and a link for 'Forgot username or password?'. The footer indicates the version is OSHENS 5.5 - Build 011 (February 2018).

Step 7: Complete setup

All elements of the setup page must be completed. If certain areas are not completed, the system will not allow you to sign off the inspection.

Note: When using pop-ups, use the cursor to click search rather than pressing your return key.

Note: if you do not have a third tier requirement on your organisation or location selection, just select 'all sub areas/groups'.

The screenshot shows the 'Setup' page for an audit/inspection. The page has a navigation bar with tabs: Setup, Checklist, Results, Action Summary, Notes, Sign Off, and History. Below the navigation bar is a 'Details' section. The main content area is divided into several sections:

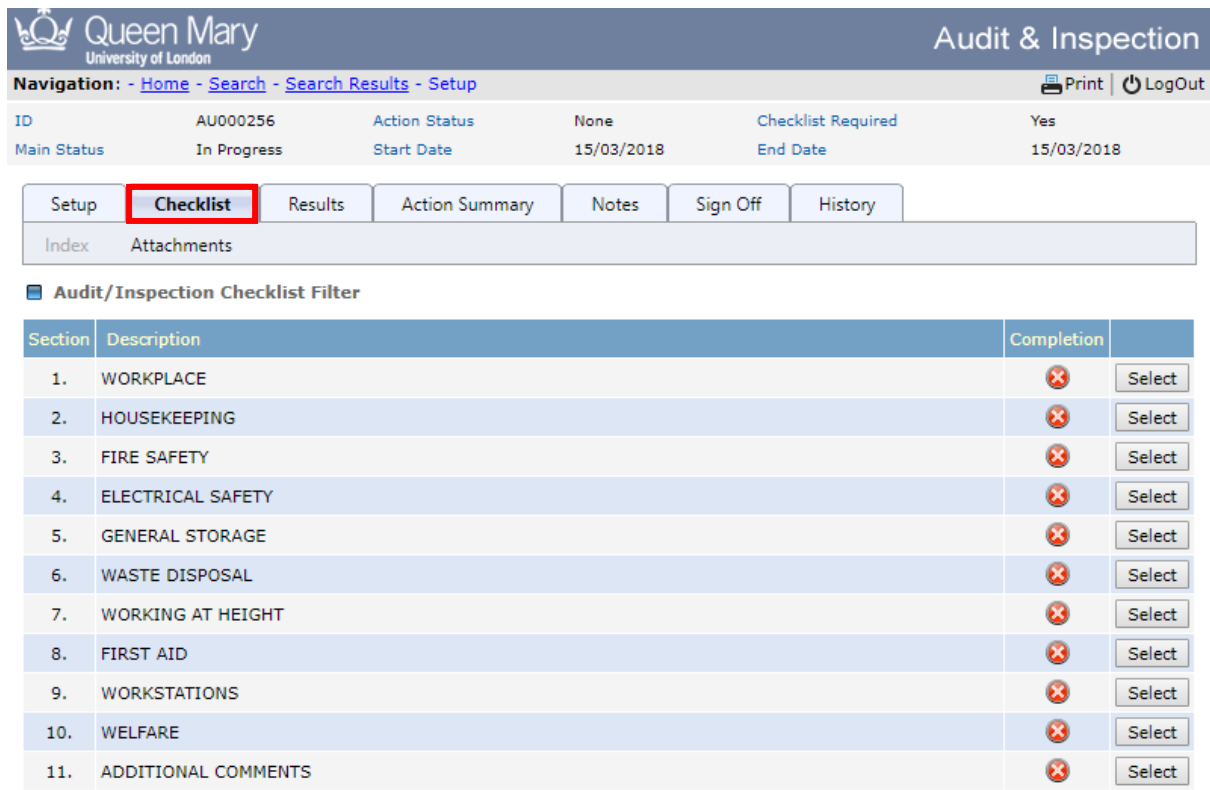

- Audit/Inspection Scope:** Includes a 'Title' field (Max chars: 500) with the value 'test' and an 'Audit Objectives & Scope' field (Max chars: 1000) with the placeholder text 'Insert here the purpose and aims of the audit/inspection'.
- Dates:** Includes 'Planned Start Date' and 'Planned Completion Date' fields, both set to '15 Mar 2018'. A red arrow points to these fields with the text 'Set the start and completion date of the inspection'.
- Auditor/Inspector Details:** Includes a table with columns 'Name', 'Email Address', 'Telephone No.', and 'Leader'. One entry is shown: 'MEGAN VAGG', 'm.vagg@qmul.ac.uk', and a checked 'Leader' box. A red arrow points to the 'Add Auditors/Inspectors' button with the text 'Add any additional members of the audit team'.
- Responsible Party:** Includes a table with columns 'Name', 'Email Address', and 'Telephone No.'. A red arrow points to the 'Add Responsible Party' button with the text 'Add any person who is responsible for actions raised during the audit/inspection'.
- Division, School, Faculty, Institute, Department, Group/Unit:** Includes a table with columns 'Division, School, Faculty, Institute', 'Department', and 'Group/Unit'. One entry is shown: 'HUMANITIES AND SOCIAL SCIENCES', 'ARTS', and 'SCHOOL OF ENGLISH AND DRAMA'. A red arrow points to the 'Add Organisation' button with the text 'Add what part of the organisation is being audited/inspected'.
- Building, Area, Sub Area:** Includes a table with columns 'Building, Area, Sub Area'. A red arrow points to the 'Add Location' button with the text 'Add the areas and buildings being audited/inspected'.
- Location Details:** Includes a text area with the placeholder text 'Include any specific details about the location i.e. floor levels, offices spaces, communal areas'.
- Restrict Access:** Includes a section with the text 'Complete below only if required e.g. contains sensitive information' and a 'Restrict' button. A red box highlights this section with the text 'If you wish to restrict access to this Record click on the "Restrict" button. Once you do this you will be required to complete a list of users permitted to view it.'

At the bottom of the page, there is a footer with the text 'OSHENS v5.5 | Copyright Optima Diagnostics Limited. 2017. All rights reserved.' and 'Session Expires in 59:49'.

Step 8: Complete checklist

Click onto the 'checklist' tab to begin the audit/inspection questions. You can then select which section to begin answering questions on e.g. 1. Workplace

Note: All questions and sections must be completed. If certain sections are not completed the system will not allow you to sign off the inspection. This symbol  indicates an incomplete section. Once the section is complete, this symbol  will appear.

Step 10: Add notes and attachments

Any additional information can be added using the notes section, and any relevant attachments e.g. photographs, emails, risk assessments can be uploaded as well.

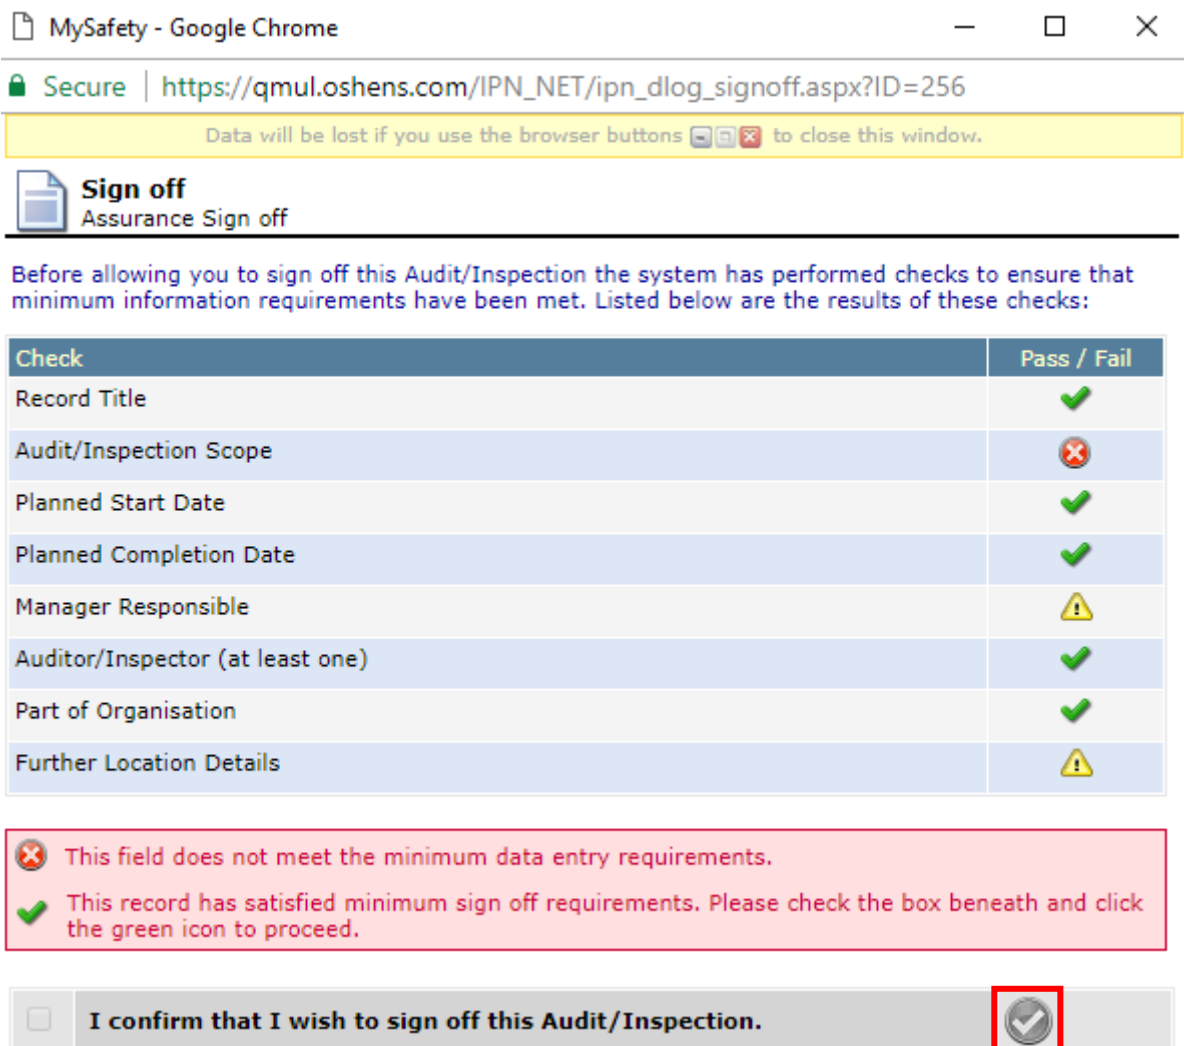

Step 11: Sign off audit / inspection

Once you have completed the inspection, you can now sign it off using the 'sign off tab'. After clicking the sign off button, a pop-up will appear (see below).

Where a green tick  is not displayed, information is still incomplete. Return to the 'setup' tab to complete these sections.

Click the tick box to confirm you wish to sign off the audit/inspection and then click on the tick to complete.

The screenshot shows a browser window titled 'MySafety - Google Chrome' with the URL 'https://qmul.oshens.com/IPN_NET/ipn_dlog_signoff.aspx?ID=256'. A yellow warning bar states: 'Data will be lost if you use the browser buttons [back] [forward] [close] to close this window.' Below this is a 'Sign off Assurance Sign off' section. It contains a table of checks and a confirmation box.
